Extended-X Petition

APPLICATION DEADLINE: PRIOR TO GRADUATION

Any undergraduate student who receives a grade lower than an A for a course attempted during or after the Fall 2001 term may be eligible, upon retaking the course, to remove the first grade from their grade point average (GPA).

A student may exercise this option for no more than three courses, totaling no more than 10 credits. A student may use this option only once for a given course. Students must complete, sign, and submit the EX petition prior to graduation.

The student's transcript shall record both grades. For the course retaken, only the second grade shall be counted in the determination of the student's grade-point average (GPA). Any GPA calculated in accord with this policy shall be marked with an asterisk denoting that a lower grade has been replaced by a second grade in the course.

NOTE: The record notation of an "X" marking the course excluded from the GPA has been substituted for an asterisk denotation in the original policy.

Extended-X (Amended-FX) Implementation Policies

Extended-X Implementation Policies

Bloomington Faculty Council Action (Circular B37-2001; March 6 & 20, 2001; amended Circular B27-2012, December 6, 2011)

1. Only courses attempted during or after the Fall 2001 term will be eligible for replacement under the policy.
2. The following grades **cannot** be replaced under the Extended-X policy: S, P, W, I, R, NC.
3. GPA credit hours for the replaced course will be removed at the point at which the course is replaced.
4. Courses repeatable with different content are not eligible for replacement under this policy unless a unit chooses to permit this by means of a specific authorization procedure.
5. A student may not request reversal after asking for and applying the GPA exclusion.
6. A student may not replace a grade with a second grade of W, I, R or NC.
7. Students who re-enroll in a course must indicate to the school of their major or to University Division, as appropriate, their intent to apply the Extended-X policy to a specific course prior to graduation.
8. The Extended-X policy will adhere to FX policy (*UFC documents 1975, 1976, 1979, 1984, 1987*) administrative practice and guidelines regarding exceptional cases, where these are not in conflict with the provisions of the Extended-X Policy nor with these Implementation Policies. A statement of the applicable practices has been compiled and is on file with the Vice Provost for Undergraduate Education and with the Office of the Registrar.
9. In implementation of the Extended-X policy, as under the FX policy, Bloomington joins all other campuses in honoring the principle that the grade forgiveness/course retake policy on the degree granting campus is applicable for each student. Hence, if an IUB student transfers to another campus with more liberal grade replacement policies, IUB will honor requests from that campus, on behalf of the student, to replace an IUB grade that may not be replaceable under IUB policy. Were the student to return to IUB for graduation, however, that course exclusion would not apply.
