

## **IUScholarWorks License and Permission Form for Mediated Submissions**

Use this form to grant permission to someone else to submit your material and to accept the IUScholarWorks license. Authors/rights holders who submit their own works to IUScholarWorks do not need to use this form, as they will accept the IUScholarWorks license during submission.

Authors/copyright holders who submit materials to IUScholarWorks must agree to the IUScholarWorks license. This limited, non-exclusive license confirms that you have the rights to deposit these works into IUScholarWorks. It gives Indiana University permission to post them openly on the Web and to take the necessary steps to preserve them. Once granted, this permission is non-revocable; you cannot rescind your permission for Indiana University to distribute and preserve these works.

Under this agreement between you and Indiana University, you retain all rights you had to these items before they were deposited, such as making copies available on other web sites or publishing them in the same form or in a revised form, without obtaining permission from Indiana University. NOTE: Depositing your work into IUScholarWorks may limit your ability to subsequently publish it. Authors who may want to submit their work for subsequent publication are advised to check publishers' pre-publication requirements.

By default, all items in IUScholarWorks are protected by copyright, with all rights reserved for the copyright holder. As an alternative to reserving all rights, you are encouraged to consider licensing your work under a Creative Commons License, (<http://creativecommons.org/about/licenses/meet-the-licenses>) under which you can preserve those rights that are most important to you (e.g., proper attribution,) and at the same time explicitly grant certain other rights chosen by the author to be used at the reader's discretion (e.g., copy, distribute, display, or perform the work.) Documents in IUScholarWorks that are licensed under Creative Commons licenses will display the license conditions with the item.
